

Woodcreek Jr Timberwolves Cheer

2025-2026 Handbook

Thank you for your interest in the Woodcreek Jr. Timberwolves Cheer Program!

The purpose of our program is to promote spirit, support our football players and advance our own athletic skills while maintaining academic excellence. Becoming a cheerleader is a **HUGE** commitment, not only for the cheerleader, but for the cheerleader's family as well! Please review the information provided very carefully.

Welcome to the WJT Family!

Kim Watson
Vice President - Cheer
Woodcreek Jr Timberwolves

Eligibility

SAC League Age Eligibility

All children between the ages of 4-14 are eligible to join our program. Our Mascot program is for our youngest cheerleaders: Ages 4-6. Our competitive Jr. Pee Wee, Pee Wee, Jr. Midgets, & Midget teams are for Ages 7-14. The cheerleader's age as of **June 15th** determines her "season age". A combination of age & skill level determines team placement.

4	X				
5	X				
6	X				
7		X			
8		X			
9		X	X		
10			X	X

Team Placement

All cheerleaders are evaluated for appropriate squad placement. Placements are made based on age, skill evaluation, & discretion of the VP of Cheer. Each team will max out at 20-30 total cheerleaders. Every effort is made to place each cheerleader on a team. Cuts will be made if coaches & VP of Cheer feel a cheerleader would not succeed on the cheer team for the upcoming season.

This grid indicates which age is considered for each team:

Program Level	Age Range	Team Placement Required?
Mascots	4-6	Evaluation only
Jr. Pee Wee	7-9	Yes
Pee Wee	9-11	Yes
Jr. Midget	10-12	Yes
Midget	11-14	Yes

Summer Clinics

Cheer Camp

We are not doing a cheer camp for the 2025 season. We will be offering optional clinics instead throughout the summer.

Summer Cheer & Tumble Clinics

Cheer & tumble clinics will be held at the WJT Cheer Facility periodically May, June, & July in the early morning hours before it gets too hot. We will email dates out once set. These are optional but a great opportunity for your cheerleader to learn new skills & get ready for the football season.

- The cheer clinics are free to WJT Cheerleaders & a good way to start learning about cheer (motions, jumps, stretching & conditioning) for those new to cheer.
- Summer tumble clinics/programs will be available for an additional cost.

Practice, Tumbling, & Attendance

Practice

ALL PRACTICES ARE MANDATORY.

WJT cheer practices at 2 separate locations:

- Woodcreek High School (either on the track, or the grass behind the stadium)
- The WJT Cheer Practice Facility (8636 Antelope North Rd, Bldg B, Antelope, CA 95843)

Practices will be held 3-4 times per week (Mascots 2x per week). Once tumbling lessons begin, their weekly tumbling lessons will take the place of one practice. Practices focus on cheerleading skills, stunting, voice projection, half-time & competition routines. Tumbling lessons focus on tumbling skills only.

Practices typically start between 5-7pm & end between 7-9pm. Practice schedules are coordinated by the coaches and made available to the families by the end of July. All locations and times are subject to change based on the discretion of the coach & weather/air quality. When practices are held at the facility, please do not arrive more than 10 minutes in advance.

Cheerleaders **MUST** arrive to practice on time **AND** ready to practice. They must be wearing appropriate practice clothes, no jewelry, have their hair up and out of their face, as well as have water for breaks. You can expect practices to start and end on time. Please be on time to pick up your cheerleader! If your cheerleader is late for practice or picked up late after practice, she will receive a tardy.

If your cheerleader is going to miss a practice, please contact the head coach at least **2 hours in advance**.

ALL PRACTICES ARE CLOSED. For outdoor practices held at the WHS field, parents may watch from afar, however, please **DO NOT** disrupt practice by interfering in any way. Please maintain your distance & remain behind the gate. Please do not stop to talk to your cheerleader as this becomes a distraction to your cheerleader & the team. For practices held at the facility, there is a **NO SPECTATOR POLICY**. Time inside is extremely valuable & space is limited!

For practices held at WHS, your cheerleader must bring a towel to sit on while stretching on the grass. For both indoor & outdoor practices there is a **NO FOOD, NO CANDY, NO SODA, NO GUM POLICY**. Each cheerleader must bring their own water. During the first couple months, we give frequent water breaks while the cheerleaders acclimate to the heat.

Cell phones are allowed at practice but **MUST** be kept in their bags and not used unless directed to do so by the coach. The coach may exercise the right to collect all cell phones at the beginning of practice. If your cheerleader cannot adhere to the rules surrounding cell phones at practice, the coach will take the cell phone and only return it to a parent after practice.

Tumbling

WJT Cheer is working on building tumble skills & will be bringing a coach into our facility to provide cheer focused tumbling. Tumbling is mandatory for Jr Pee Wee – Midgets. Tumbling classes will be held at the WJT Cheer Facility. Classes will be \$15/session. Classes will last 8-10 weeks (\$120-\$150/season) during the season. Detailed schedule of classes will be shared towards the end of July.

There will be no more than 8-10 cheerleaders per class. Classes will be divided by skill to meet the needs of each cheerleader. If available, slots will be open to the mascot cheerleaders as optional tumbling.

If your cheerleader is working on advanced skills, you will have the option of having your cheerleader tumble at the facility of your choice, but you will need to show proof of attendance & classes cannot interfere with WJT practices or games.

Attendance

ALL PRACTICES, including tumbling, are MANDATORY.

ALL EVENTS, GAMES, & COMPETITIONS are MANDATORY.

Cheer is VERY much a team sport. Missing one practice can put the cheerleader as well as her/his stunt group & other teammates behind. It is at the discretion of the coach to include/remove your cheerleader from stunt groups or formations if practices are missed.

The coach must be contacted at least 2 hours prior to the start of practice. If the head coach or assistant coach is unavailable, please contact the VP of Cheer via email: vpcheer@jrtwolves.com or text (916) 425-1235.

Tardies are disruptive. Please be on time or early, every time!

Three tardies of 10 or more minutes are equivalent to one absence. Tardies greater than 30 minutes are equivalent to one absence - this is with or without a call to the coach. Late pick-ups after practices or games will also result in tardies and/or absences. Remember, coaches are all volunteers and have obligations to their families outside of WJT! Please be respectful of their time and pick up your cheerleader promptly.

Consequences of tardies and absences:

3 tardies	= 1 absence
3 absences	= Cheerleader is dismissed from the program if any additional tardy or absence occurs.
Cheerleader Quits	= Ineligible to return that season nor the following year.

Under no circumstance is the uniform nor registration fee refunded to a cheerleader that is dismissed or quits prior to the end of the season.

Illness & COVID-19 Absences

The CDC has lifted the required isolation requirements related to COVID-19. All practices missed due to illness will be counted as an absence. If your cheerleader has respiratory symptoms, we encourage your cheerleader to attend practice & wear a mask.

Volunteer Hours

WJT is operated solely on volunteers. The Board of Directors, Coaches, & Instructors are all volunteers. **We do NOT receive payment for our work & we DO pay registration for our athletes.** During the football season, cheerleaders are performing just as much as the football players are playing! Cheer and Football are equal parts of our program. For each athlete participating in the program, a minimum of 12 hours of parent volunteer time is required with a max of 20 hours for families with multiple athletes in the program. Team Parents are required to complete 6 hours of volunteer time in addition to the Team Parent duties. Volunteer shifts are either before or after your child's game or at fundraising events.

WJT requires a volunteer deposit check of \$500.00 per athlete. This deposit check is held until all volunteer hours have been fulfilled or a volunteer shift is missed. When a volunteer shift is missed, the deposit check is cashed. All volunteer shifts are coordinated by the Team Parent & Volunteer Coordinator. It is the parent's responsibility to work out a trade if one is needed. Most shifts are worked at our home games. Each day of home games takes about 40 volunteers to run, so please plan ahead and be prepared to volunteer once the season begins!

- All volunteer hours must be completed even after an injury.
- Volunteer hours can be rescheduled, but must be done 72 hours prior to the shift. If you need to cancel in less than 72 hours, your volunteer check will be deposited. You have the option to swap shifts with another parent to avoid the deposit of your check & can reach out to your team parent or Volunteer Coordinator for assistance with shift swap volunteercoordinator@jrtwolves.com
- You must show up 15 minutes prior to the start of your shift to allow a hand-off & the off-going parent to make it to the start of the athlete's game.
- An email will be sent to sign-up for volunteer shifts. It will include a due date to sign-up for **ALL** volunteer hours. After that date, if you have not signed up for all your hours, it will be assumed that you are not going to complete your required hours & your deposit check will be cashed.

Fundraisers

Fundraisers are a way that the program makes up the costs that registration fees do not cover. Our Sponsor & Fundraising Coordinator will notify of any fundraisers. Some volunteer hours may be completed at these fundraisers. More to come closer to the season.

Games

Our home field is Woodcreek High School. Should a home game need to be played at a location other than WHS, parents will be notified. A list of away sites can soon be found on the SAC or WJT website.

All cheerleaders are to arrive in full uniform, with hairstyle as instructed by the coach. Arrival time is usually 45-60 minutes prior to the start of the game. Games are held on Saturday and begin in August.

Game times are as follows:

Team	Game Time	Arrival Time
Jr. Pee Wee	10:00am	9:00am
Pee Wee	12:00pm	11:00am
Jr. Midget	2:00pm	1:00pm
Midget	4:00pm	3:00pm

Mascots will cheer for half of the game. Depending on how many teams we have will determine which team each squad will cheer for. The goal is to have cheerleaders at every game, so this may mean that your cheerleader may cheer for a different team. Which game your cheerleader will be cheering at will be included in the team placement email on May 23rd.

Cheerleaders from both home and away teams may perform at half-time each week!

Play-offs will be determined by the football teams' performance during the season. Should our teams make it to the playoffs, our cheerleaders are expected to cheer at those games. For teams that do not advance in play-offs, they will have the option to cheer with the teams that do.

Transportation

Each individual is responsible for securing their own transportation to and from practices, events, and games. Your Team Parent will share a contact list roster to allow for carpools. When dropping off or picking up at the WJT Cheer Facility, please be aware of the strict 7.5 mile per hour speed limit, specific route to follow, & the no parking.

Appearance

Cheerleaders must understand that they are representing the entire organization while in uniform. They are a reflection of WJT, their coach and their team! Uniforms must be kept clean and neatly mended. Stains must be removed. Tears and holes must be repaired. The cheerleader will not be permitted to participate until the uniform is repaired.

NO JEWELRY is to be worn during any practice, game, or competition. NO EXCEPTIONS. New piercings will not be wrapped with tape. It's best to get piercings well before or after the season.

NO MAKE-UP is to be worn at any practice, event, game or competition EXCEPT for the Midget team. Make-up must look clean and fresh. No dark, heavy colors. Coaches and the VP of Cheer reserve the right to ask any cheerleader to remove or adjust her make-up if it appears to be distasteful, or if the cheerleader is not a part of the Midget squad. NO EXCEPTIONS. Refusal to remove make-up will result in benching & an absence. (This includes picture day.)

Nails are to be kept clean and short, only to the edge of the fingertip. Fake nails and colored nail polish are NEVER permitted. If a cheerleader is found to have nails that are too long, she will be asked to cut them prior to practicing or performing.

Uniform & Appearance DO's:

- Keep the uniform clean, pressed, free of tears and stains.
- Take off ALL jewelry before putting on your uniform.
- Remove all make-up (except 14U) before putting on your uniform.
- Wear your hair up and out of your face in the style chosen by your coach, with your bow.
- Check the length of your nails and trim them if needed.
- Wear tennis shoes to practice and cheer shoes to games/events/competitions.
- Wear shorts that are long enough to cover your bottom. (Rolling once is permitted).
- Come to events in full uniform as described by the coach.

Uniform & Appearance DON'Ts:

- Wear leggings, nylons or tights with your uniform.
- Dye your hair an unnatural color. (High and lowlights are acceptable as long as a natural color)
- Wear a shirt that is too short that exposes your stomach.
- Wear shorts with pockets, buttons, zippers, or strings.
- Uniforms (this includes all mandatory uniform pieces and shoes) are NOT to be worn unless at an approved WJT event. They are not to be worn on Halloween, nor to school for any reason. Please do not email the coach or VP asking if this is ok! This is to protect her one uniform that needs to last the entire season! The Friday game day shift can be worn to school to promote their game.

Any violation of the rules related to uniform & appearance will result in the cheerleader's parent being contacted & asked to resolve the issue prior to participation. Should that delay the start of practice, or not be resolved prior to the start of a football game or competition, this will be considered an absence.

Athlete Code of Conduct, Academic Standard, & Discipline

WJT wants your cheerleader to grow as an individual, as a teammate, and as a cheerleader. To provide an environment where this development can take place, all cheerleaders are expected to maintain a positive attitude toward their teammates, coaches, and instructors. In addition, WJT athletes are expected to:

- Maintain an academic standard at 2.0 with no failing grades during the season or risk being benched or dismissed from the team/organization. Grade checks may be performed at random.
- Maintain good citizenship & sportsmanship. Fighting, misconduct, vulgar or derogatory language, cursing, or disrespect can lead to being dismissed from WJT.
- Conduct themselves as an upstanding athlete in the community. Any athlete who has an altercation at school or with law enforcement authorities or is observed displaying conduct below the acceptable standards of a WJT athlete may face dismissal from the WJT program at the discretion of the WJT Board.
- Come to practices & games prepared & ready to give 100%.

When discipline is needed due to the cheerleader acting outside of what is acceptable, WJT reserves the right to remove the cheerleader from the team. This will be a last resort. Prior to removing the cheerleader from the team, the coach will work with the cheerleader, the parent, and the VP of Cheer to find the best solution to the behavioral issue.

If behavior is an issue at a practice or a WJT event and results in your cheerleader being benched or asked to leave, this will count as an absence no matter how far into the event it happens to be at the time the decision is made. Unacceptable behavior can be described as, but is not limited to:

- failure to take instruction
- defiance
- rudeness
- profane/foul language
- disregard for safety
- inappropriate chanting
- taunting or unsportsmanlike, comments, or acts

Social Media Rule

Please do not post ANY videos of our routines. WJT is a successful cheer program that puts a lot of time into choreography that is creative, highly technical, crisp & clean with excellent showmanship. This is our recipe for

success... and we don't want to share it! Still shots are permitted if they are within reason.

WJT supports the athletes' right to freedom of speech, expression, and association, including the use of social networks. However, athletes must remember that they are representing WJT, the Roseville community, your school, family, coaches, & team. This responsibility requires athletes to be socially conscientious and to maintain a positive image.

Please remember the following:

- Everything you post or send becomes public record. Any text or photo placed online is completely out of your control the moment it is placed online – even if you limit access to your accounts or only send it to a single person. Once you post a photo or comment on a social networking site, the photo or comment becomes the property of the person or site to which it was sent.
- Your posts may affect your future. Many employers, college admission officers, and recruiters review social networking sites as part of their overall evaluation of an athlete.

WJT will not tolerate insubordinate, disrespectful, illegal, bullying & intimidating postings online such as:

- Derogatory language or remarks that may professionally or socially damage or embarrass your teammates, coaches, teachers, parents, or opponents.
- Incriminating photos or statements depicting violence, hazing, sexual harassment, full or partial nudity, inappropriate gestures, vandalism, stalking, underage drinking, selling or possessing or using controlled substances, or any other inappropriate behaviors.
- Comments that create the impression that another person is in danger of physical harm or words/pictures that are intended to intimidate or inflict emotional injury on another person.
- Words or pictures that show knowledge of an unreported school team violation regardless if the violation was unintentional or intentional.

Any social media posts that violate these policies may result in immediate disciplinary action, up to & potentially including immediate dismissal from the team. Due process policies of the WJT Board will be followed. The final decision will then be at the discretion of the WJT Executive Board.

Parent/Guardian Code of Conduct

Like the athletes, the conduct of WJT parents/guardians are a reflection of the WJT program. Parent/guardians must understand that they are expected to promote themselves & the league in a positive manner. As a parent/guardian of a WJT athlete it is expected that:

- You agree to complete the appropriate paperwork required for registration & understand that failure to do so will result in your cheerleader being unable to participate in practice or games until complete.
- You agree to always be courteous when dealing with members of the organization, league officials, referees, & opposing teams/squads.
- You agree to respect the decisions of the WJT Board & coaching staff.
- You agree to encourage & guide your athlete to accept responsibility for their own actions, & never condone unacceptable behavior.
- You will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event recognizing that youth & adult participation is a privilege & not a right.
- You agree to read & abide by the WJT bylaws, WJT handbook, & the SAC rulebook.
- You agree & understand that if parent/guardian or athlete fail to abide by the WJT bylaws, WJT handbook, or SAC rulebook, you, the parent/guardian or athlete will be subject to disciplinary action that could include, but is not limited to the following:

- o Immediate removal from practice or game
- o Suspension from practice(s) or games(s)
- o Suspension for the season
- o Removal from the WJT program without an invitation to return
- You understand that written documentation of any incident(s) will be kept on file with the WJT Board.
- You understand that as a parent/guardian failure to comply with the above Code of Conduct may result in not being allowed to participate in all WJT events and functions including attendance at home and away games.

Escalation Pathway & 24-Hour Waiting Period

The WJT Board & SAC League expect the coaching staff & junior coaching staff to promote themselves & the league in a positive manner. In addition to safety training, the WJT coaching staff completes training on how to appropriately coach the various age groups & skill levels they are working with.

Should an issue with an athlete arise, the coaching staff will work with the athlete & parent/guardian to seek resolution.

Should an issue arise with the coaching staff, the expectation is that parent/guardian will wait 24 hours before communicating with the coaching staff. The 24-hour waiting period is to help encourage courteous communication between the parent/guardian & coaching staff.

If the issue cannot be resolved between the parent/guardian & coaching staff, the escalation pathway for parent(s)/guardian(s) to follow is below.

Escalation Pathway:

- Head Coach
- VP of Cheer or VP of Football vpcheer@jrtwolves.com or vpfootball@jrtwolves.com
- WJT President president@jrtwolves.com

If necessary, the WJT President will escalate the issue to the WJT Executive Board.

Football Season Competitions

All WJT teams will participate in the SAC Scheduled League Competition. Jr Pee Wee - Midgets may also compete in additional competitions pending availability.

Participation in competitions during football season is mandatory. Squads will begin working on their competition routines early in the season.

Competition entry fees for cheerleaders are included in the season registration fee. Spectators will have to pay admission to attend.

Competition is FUN! Their routines are 2 minutes and 30 seconds of dancing, stunting, cheering, jumping and tumbling that they will have worked on for months! (Mascot routine is only 90 seconds). We encourage parents to attend, wear our colors, sit together, and cheer on ALL our teams!

Unless arranged otherwise, one parent must be present at all competitions.

Competition Season & Jr STUNT Season

Competition Season

The optional competitive WJT Competition Squad is formed in early November, immediately following the WJT Football/Cheer season. A separate try-out is held to form these teams. Cheerleaders are placed on this team based on their dancing, cheering, stunting, and tumbling ability. Unlike football season, cuts are made when forming this team even if the team is not at capacity. Depending on the number of cheerleaders who attend try-outs, we may consider creating 2-3 teams/2-3 levels to take to Nationals.

This season requires a separate registration fee due in November. Competition season runs from November-February. An informational meeting will be held in October with further information. Competition season estimated registration cost will be \$300-\$500 & will cover entry fees, team sweatshirt, insurance, and WJT Cheer Facility. Registration costs may increase due to competition entry fees increasing. Historically we have attended USA Jr Nationals in Anaheim in February.

Jr STUNT Season

STUNT will be a 1-day try-out. STUNT is the fastest growing women's sport & is how many cheerleaders earn college scholarships. Jr STUNT season will run February-May. Like comp season, cuts will be made. Per STUNT/USA Cheer rules, a maximum of 16 athletes can be on a team. When appropriate we will leave 1-2 slots open & rotate alternates through these slots. This allows us to make less cuts & also gives girls a chance to participate & learn the game.

The game schedule will be based on number of teams playing & facility availability. Estimated fee will be around \$250-\$450 + \$40 for STUNT jersey. White crew socks & white cheer shoes required. A parent information meeting will be held in October in conjunction with the competition season parent meeting. Since Jr STUNT is in it's infancy, we will take cheerleaders outside of WJT if their program does not offer Jr STUNT. However, priority will be given to WJT cheerleaders.

Upcoming Dates & Contacts

Coaches will be determined after Team Placement due to not knowing how many teams we will have.
